

World Wide unity (Governments and Religion)

He was given power to make war against the saints and to conquer them. And he was given authority over every tribe, people, language and nation.

Revelation 13:4

And he was given authority to rule over every tribe and people and language and nation.” **Revelation 13:7**

The global government featured in the Book of Revelation will unify humanity politically for the first time since the days of ancient Babylonia, "ONE WORLD ORDER".

Thousands of years after **YHWH** put a stop to this act of monumental arrogance, humanity will once again establish a unified political structure under the rule of the **Anti-Christ**.

So what does this mean? What will happen as a result of this global government? Something so bad, **YAH** puts a stop to it and the human race will directly challenge **YHWH**. After all, what was the motive in building the Tower of Babel?

At one time the whole world spoke a single language and used the same words. As the people migrated eastward, they found a plain in the land of Babylonia and settled there. They began to talk about construction projects. “Come, let’s make bricks and bake them thoroughly.” They used brick instead of stone, and tar for mortar. Let’s build a great city with a tower that reaches to the skies, a monument to our greatness! This will bring us together and keep us from scattering all over the world.’ **Genesis 11:1-9**

But **YHWH** (the **Lord**) came down to see the city and the tower the people were building. ‘Look!’ he said. ‘If they can accomplish this when they have just begun to take advantage of their common language and political unity, just think of what they will do later. Nothing will be impossible for them! Come, let’s go down and give them different languages. Then they won’t be able to understand each other.’

In that way, **YHWH** scattered them all over the earth; and that ended the building of the city. That is why the city was called Babel, because it was there that **YHWH** confused the people by giving them many languages, thus

scattering them across the earth.” **Genesis 11:1-9**

In the sixth verse, **YHWH** specifically states his reason for scattering the human race and confusing them with different languages. He wants to avoid the inevitable disaster wrought by global government and a common language.

Why do these things concern Him? Because if they continue unabated, in due time, “nothing will be impossible for them!” This should be viewed as more than a passing comment by **YAH**. It should be interpreted as a prophecy of things to come. And in the last days, mankind will fulfill all the requirements of this prophecy.

The people wanted to build a monument to their own greatness, exalting themselves above **YAH** and extending their tower far into heaven with the intent of usurping **YHWH**'s glory and authority. This desire of the human race did not end with the Tower of Babel. It continues to this day, and it will culminate in one final attempt to usurp the authority of **YAH**. This great rebellion will be launched from a place called Armageddon.
